PostDoc Position (f/m) in the Group Symbolic Computation

At the Johann Radon Institute for Computational and Applied Mathematics (RICAM) of the Austrian Academy of Sciences, Linz, Austria, the “Symbolic Computation Group” is searching a PostDoc with a strong background in computer algebra. The research focus will be adjusted according to the interests of the successful candidate, but interdisciplinary cooperations with applied mathematicians are a central goal of the group.

A doctorate in mathematics or a closely related field is required. The working language is English. For more information contact Ao.-Prof. J. Schicho at: josef.schicho@risc.jku.at

Applications with personal and scientific data and a compact statement about scientific interests and achievements should be sent, preferably by email, to the address above.

Postal address:

Ao.-Prof. Dr. Josef Schicho
RISC
Johannes Kepler University of Linz
Altenbergerstraße 69
A-4040 Linz, Austria

We are approaching interested candidates, prepared to exercise the aforementioned duties within a 100% employment (40 hours per week) for a yearly gross salary of € 49.644,00.

The Austrian Academy of Sciences is an equal opportunity employer.
